"I wonder what they're gonna do to me next?"

I refuse to face Freshman life

"I'm in love with myself"

Revenge of the NERDS

Who's hands?

We're more innocent than we look!

Kirbyville High School Wildcat Football

The fighting Wildcats finished the 1986 season with a 10-2 record.

When the Cats came into preseason play, they were ranked #6 in State and later moved up to #4. At the end of the season they were ranked #8. Preseason victories included wins over State ranked S.F.A., along with Orangefield, Anahuac, Kelly, and San Augustine. After the Anahuac game, a Houston newspaper ranked the Kirbyville Wildcats as the #1 AAA team in the area, and named running back, Dexter Thomas, the leading all-area rusher.

In the District opener, Thomas ran for 224 yards and 3 touchdowns to lead the Cats to a 37-7 victory over the Kountze Lions. Other key players in the game were Shelby Shaw, Steven Sylvester, and Butch Levias.

The next victory in District play came with a 42-0 win over the Warren Warriors. Then on October 24, 1986, "The Legend Lived On" as the Wildcats beat the Newton Eagles 21-7. It was one of the most exciting games of the season with excellent offensive and defensive play. The win against Woodville, 35-22 made the Cats District Champs. However, the next week's loss to Buna caused the Wildcats to share their District title with the Newton Eagles.

The Wildcats shut out the Orangefield Bobcats once again in a 27-0 win in Bi-district playoffs. This win declared the Cats as Bi-districe Champs. The Cats lost to Groesbeck 14-25 to end the season. Wildcats who were chosen for first team in District were: Quarter Back-Shelby Shaw, Running Back-Dexter Thomas, Split End-Steven Sylvester, Tight End-Donnie Woods, and Tackle-Dexter Minter. All-District Defensive Line included: Shawn Tyler, Joey Marshall, and Secondary-Steven Sylvester. Second team members chosen were Bryan Kirbow, Danny Thomas, Tom McAdams, Alias Collier, and Honorable Mention-Dwayne Reliford and Mark Diggles. Outstanding players were Steven Sylvester-defensive, Shelby Shaw-offensive, and Most Valuable Player-Dexter Thoma.

This year Head Coach Larry Grissom had to say goodbye to many Senior players. Team members include: Dexter "The Hammer" Thomas, who finished the season with 2,222 yards rushing, On defense Mark "The Freezer" Diggles at 5-foot-11 and 350 lbs., playing nose guard and also a fullback-Bryan Kirbow, offensive tackle-Dexter Minter, Linemen and Linebackers, or as Coach Bush says "The Tush Hogs" Joe Swaney, Dwayne Reliford, and Stacy Morgan. Steven Sylvester, Mark Morgan, Jarrod Williams, Donnie Woods, and Roger Ford also finished their last season at K.H.S. Fond farewells are given to these players whose hard work and dedication will be long remembered.

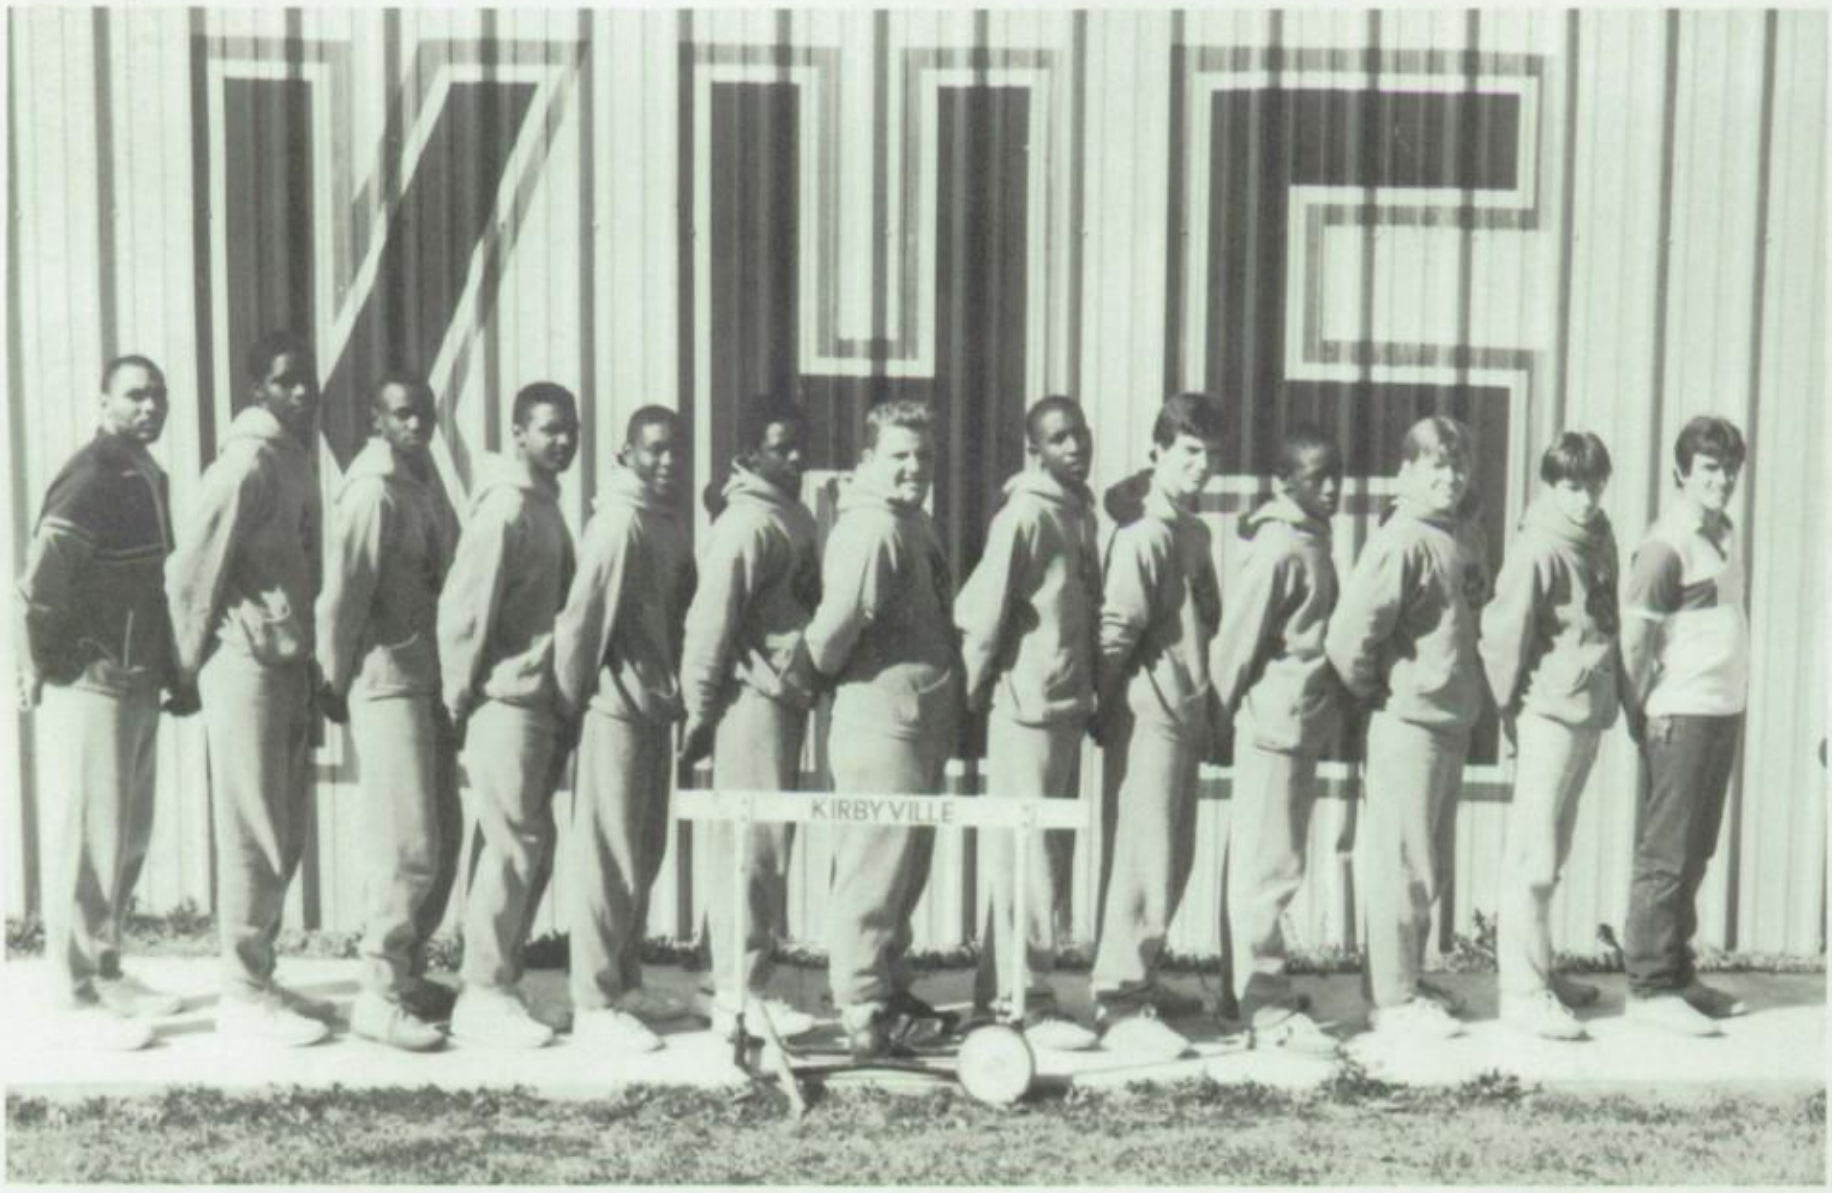
KHS WILDCAT TRACK AND FIELD

The 1987 Boys Track team did not have a successful year. According to Coach Baker, the team was handicapped because there wasn't enough people to enter enough events to win a meet. Two people placed in District. Brent Morgan received fourth in the mile and fifth in the 800, and Stacy Morgan placed fourth in the polevault. Stacy Morgan was consistent through the season. Although the team did not live up to Coach Baker's expectations, they do have a bright future. It was a young team and should make a great comeback next year.



The Track team is Coach Baker, Pat Tyler, Tony Mansfield, Tyrone Hughey, Alias Collier, Kevin Cooper, Chip Victory,, Elroy Couch, Tim Martin, Gary Ballard, Joe Swaney, Randy White, Michael Branch.

KHS WILDCAT BASEBALL

The Kirbyville Wildcat Baseball Team had the kind of season that might best be described as a roller coaster ride. The Wildcats started the season playing mostly 4A schools and barely keeping their head above water. The Cats won the consolation trophy in both the Buna and SFA Tournaments and showed signs of definite improvement. As District drew near the Cats began to gel and they improved their non-district record of 6-8 to 12-8 by winning 6 in a row. Setting on top of the District standings at 6 and 0 and having beat Buna for the first time in a long time the Cats might have relaxed a little too much as they lost their last 4 games and missed the play-offs. First year Head Coach Randy Jones says, "It wasn't that bad a year finishing at 12-12 which is .500 baseball. To say I'm not disappointed wouldn't be true. I would have loved to have made the play-offs my first year, but I guess it wasn't meant to be. I've run the gammit of emotions this year. The high and lows of baseball and I guess the only thing to say is there's always next year."

U.I.L.

The year 1986-87 was a very good year for U.I.L. at Kirbyville High School. Prior to the District meet, our students participated in invitational meets: Lumberton, West Orange Stark, Lamar University, Barbers Hill, Center, Dayton, Port Neches Groves, and the TMSCA State meet in San Antonio. At the TMSCA State meet, Craig Allen won the State Championship in 10th grade Science while Dale Herrington placed 3rd in 11th grade Science.

At the District U.I.L. meet we were very proud of our students accomplishments. We had 45 students that particiated in 15 U.I.L. events. Overall our school took second place with 177 points. In most districts this would have been enough for 1st place. Eighteen of our students placed in the District meet and advanced to the Regional meet in Brenham.

At the Regional meet we had 3 students to advance to the U.I.L. State meet in Austin. Sarah Wilson placed second in Spelling, Dale Herrington placed second in Science, and Dillard Land was the alternate in Number Sense.

Our proudest moment this year came at the State meet in Austin, Texas. Sarah Wilson won the State Championship in Spelling! As far as anyone knows this is the first time anyone at Kirbyville High School has ever won a State Championship in U.I.L.! Dale Herrington also placed 12th in Science at the State Meet.

Sarah Wilson receives her first place medal for Spelling at the District U.I.L. Meet. Sarah went on to place first at the State U.I.L. Meet in Austin.

U.I.L. ONE ACT PLAY

Our Kirbyville High U.I.L. One Act Play did well for the first time participating in U.I.L. events. The students that participated in the one act play were chosen by Coach Matlock. The students chosen were Ann Weathersby, Rochelle Brown, Jeannie Boman, Lynn Griffin, Rebecca Fuller, and Caralee McDonald. This was the first time for the students and sponsor to participate in the U.I.L. One Act Play. The play the cast presented was called "They're None of Them Perfect". Ann Weathersby received an Honorable Mention. Rebecca Fuller received a place in the all star cast. The whole cast and crew did a wonderful job working together. The stage crew and makeup artist consisted of Diana Mitchell, Michael Lewis, Cindy Jones, Annette Venable, and Felecia Thomas. We might not have advanced for this year but next year we're going all the way. They always say the first step is the hardest. We want to especially thank Coach Matlock for all her time and help.

Fourty-five students, including Darrell Sheffield (president), David Barefield (vice-president), Paulina Jones (secretary), Pam Kerr (treasurer), Paul Meredith and Stacy Morgan (reporters) and Scott Smith (chaplain) made up the DECA Club body. The Homecoming Parade was the first activity in which DECA participated. First place in the float competition was awarded to our club. We chose Michelle Castle to ride in the parade as the Duchess for DECA. She rode on a grey Corvette driven by our president. Bake sales went on quite often during the year to raise money for DECA Conference on Feb. 5-6. We had two area winners, David Barefield and Everette Holley, two compentances, Earl Wright and Cheryl Bennett, and one alernate, Ben Blake. The last event the DECA Club held was the DECA Banquet on March 27. It was a great way to end our Club year.

The SADD float proved to everyone what drinking and driving can do to a person!

SADD stands for Students Against Driving Drunk. Our purpose is to prevent students from drinking and driving. Our corporate sponsors are Dr. Erlinda Tan and "Doc" Guy.

We raised money by selling car signs saying, "Wildcat on Board, Class of '87, and Class of '88." We also sponsored a dance after a football game to raise money. We entered a float in the Homecoming Parade and we presented the Junior-Senior High P.T.A. program in December.

SADD also donated a poster to each classroom depicting a scene involving driving and drinking to keep the club's message fresh in the students' mind.

Currently we are workding on a school-community program to further the club's message and enter the Readers' Digest $500,000 Scholarship contest.

An end of year party is also in the works.

Four years before the Alamo, he helped light the torch for freedom right in the heart of East Texas.

William Barrett Travis is best known by Texans as the heroic commander at the battle of the Alamo. But his leadership in the struggle for Texas independence began much earlier.

In 1832, his imprisonment by the Mexican governor at Anahuac in Liberty County so inflamed East Texans that they raised an army to free Travis and posted a document named the Turtle Bay Resolutions.

Travis's confinement and the Resolutions became a rallying point against the abuses of the Mexican authorities and were among the first steps taken in Texans' fight for independence.

Old Times, Old Friends

Old times, old friends, how dear are these
To treasure now in memories.
Whatever marked each passing day
Has left its imprint on life's way.

The joyous years that swiftly passed,
In blessed remembrance still will last.
The ones we loved, no longer here,
In memory's chambers still are near.

How true that precious joys live yet.
That there are things we can't forget.
Old times, old friends, how dear are these
To treasure now in memories.
